

# Group Contract

## Core Values

- Communicate ideas, problems, and delays openly.
- Respect each other's roles, opinions, and contributions.
- Give credit where credit is due.
- Ensure fairness: everyone contributes and no one is left with an unfair workload.
- Keep the group environment positive, collaborative, and enjoyable.

## Ground Rules

### 1. ALL HAIL BIG BOSS PARSIA

### 2. Communication

- Keep frequent updates on progress.
- Use a central group chat for clarity.
- Speak up if you're uncomfortable with a task or need help.
- Everyone should be part of discussions, and final decisions should come from compromise.

### 3. Work Habits

- Divide tasks fairly so everyone knows what they're doing.
- Be consistent and avoid procrastination.
- Set internal deadlines at least 2 days before the class deadline.
- Don't wait until the last minute to ask for help.

### 4. Respect & Collaboration

- Listen without talking over others.

- 
- Be kind and constructive no negativity or disrespect.
- Make sure the group is having a good time while staying productive.

## **Things to Prevent**

- Ghosting or lack of communication.
- Missing deadlines.
- One person doing all the work.
- General confusion or unclear responsibilities.
- Conflict (“beef”) between groupmates left unresolved.

## **Group Hopes**

- We collaborate effectively and enjoy working together.
- We complete all assignments on time with quality work.
- We create something we are proud of.
- Everyone feels good about their role and contribution.
- We earn a strong grade through teamwork and accountability.

## **Communication**

- We communicate via discord
